The NGV will contact the sponsor and the vendor if there are any issues. **Final approval of banner proofs by the NGV requires receipt of your payment by check!**

Banner fabrication, shipment, storage and display:

Banners with approved proofs from the sponsor and payment received by the NGV will be fabricated by the vendor during their non-peak periods to take advantage of the most favorable pricing.

Banners and their metal poles and brackets will be bulk shipped to the NGV for safekeeping and storage. Banners will be attached to individual 2"x4" cedar posts using metal brackets and poles. Boy Scout Troop 20 will install the banners on Lake Petit Dam just prior to the holiday to be celebrated and recover them seven days thereafter for safe storage. Banner displays will occur during the individual weeks that include Memorial, Independence and Veterans Days.
