**Wearing of Miniature Medals Guideline**

**Effective 10/01/2021**

Item XI of the by-laws of our association contains a definition for the contents of our official North Georgia Veterans Uniform. Item 7 in section XI states: "Authorized miniature medals worn in accordance with NGV guidelines".

To our knowledge no guidelines have been documented or communicated.

Therefore, the Board of Directors suggest that the following guideline be adopted for the wearing of miniature medals on the NGV Official Uniform:

Miniature medals may be worn by members whenever the official uniform is the designated dress.
